

Bristol seed Swap 2021 by post and online

HOW IT WORKS

You can **print this form** or write a list in the same order. Please make it as clear and easy to read as possible
Send it by post together with a **prestamped self-addressed envelope, (SAE)**, to: **Bristol Seedswap, PO Box 3449, Bristol BS3 9JH**

Please, send your form by the **5th of February**. The seeds will be sorted and posted throughout February, early March

HOW MANY STAMPS YOU NEED TO USE

The number of stamps you will need to use depends on what kind of seeds and how many you would like.

10 packets small seeds, a standard size letter and stamp should be adequate

Please be generous with envelope size and postage, if you send a postcard sized envelope and request 10 packets or any peas and beans there will not be room.

If you want runner beans, peas or more than one type of french bean or sweetpea, or more than 10 small seeded varieties, please send us a pre-stamped envelope with a large letter stamp or equivalent stamp value

If you are asking for large seeds (beans, peas,...) we advise to use a **padded envelope**, to avoid spilling in the post.

Stamp prices from the 1st of January 2021: standard 2nd £0.66 / standard 1st £0.85 / large up to 100g 2nd £0.96 / large up to 100g 1st £1.29

DONATIONS

Donations cover the cost of packaging, purchasing some seeds, paying for the PO Box, paying our speakers and publicity.

Please consider putting a spare stamp or a cheque in the envelope as a donation. (Donations are only if you can afford it, and have not been able to donate seeds in exchange)

Donations via Paypal are also welcome to help us run the seed swap: There is a PayPal donation button near the top of the website's homepage. www.bristolseedswap.com

As a rough guide 50p for a small packet or £1 for a larger pack, especially if they are heritage or rare, **but again, its only what you can afford, no one is checking this.**

If you are skint and want to 'give back' please learn a bit about seed saving and donate seeds next year.

HOW TO FILL THE FORM

Put a cross next to the seeds you would like to get and feel free to give us details in the notes (general type or particular varieties, colour, likes and dislikes.....) Or copy the order but just write what you want on a bit of paper.

Remember to have your name on each page (and same name on your return envelope).

Examples:

Tomato	X	<i>Big beefy tomato</i>
French Bean	X	<i>Cherokee Trail of tears if possible, if not, any black seeded French Bean</i>
Pumpkin	X	<i>Something funky / unusual</i>
Pollinator flower	X	<i>For sunny spot, easy to grow</i>
Shade flowers	X	<i>I like red and yellow</i>
Other flowers	X	<i>I am looking for Nigellas</i>

We will do our best to meet your wishes as closely as we can, but it will depend on what seeds we have.

If we cannot meet your wish list in full, are you interested in being sent seeds that we may have a lot of? **Yes/No**

Please give us as much information as possible, what kind of growing space(s) you have? e.g. Allotment / Small Garden / Large pots and planters / Small pots and window sill space / Greenhouse

Do you have likes or dislikes, if we are making decisions on what to send when your first choice isn't available it will save us sending you things you don't want.

Bristol seed Swap. request list for (your name) _____ Pg1

Please post to us by Feb 5th Bristol Seed Swap PO Box 3449, Bristol BS3 9JH

or drop them off to locations round the city - see www.bristolseedswap.com for the map of drop off locations.
